**113. OBSOLETE CUSTOMER PREMISES WIRE AND MAINTENANCE PLANS****113.2 PREMISES MAINTENANCE PLANS**

For terms, conditions, rate and charge applications see 13.2 of this Catalog.

## A. Description

The following plans are obsolete and no longer available to new customers. Existing customers will be allowed to retain their obsolete packages only as long as service remains at the same location for the same customer.

COMPLETE COVERAGE

*COMPLETE COVERAGE* is a premises maintenance plan that provides residence and business customers, per exchange access line, per premises, with inside wire and jack repair and trouble isolation. This plan is obsolete as of October 1, 2005.

## B. Rates and Charges

	USOC	MONTHLY RATE
• Residence <i>COMPLETE COVERAGE</i> [1]	LBRXP, GSD2X	\$6.00 (I)
• Business <i>COMPLETE COVERAGE</i> , per account[2]	MNSNX, MNSOX	7.00 (I)

[1] Residence *COMPLETE COVERAGE* is equivalent to per line Residence *LINE-BACKER* Service described in 13.2 of this Catalog.

[2] Business *COMPLETE COVERAGE* is equivalent to Business *UNISTAR* Service described in 13.2 of this Catalog.
