3. Access Line Terminations

The charges for WATS access lines and access line extensions include all the necessary facilities up to the Demarcation Point on the property where the customer is served.

a. Access Line Extension Charge

Extensions of individual access lines are provided for the same customer between two separate locations within a LATA within the State of Minnesota.

	<b>USOC</b>	<b>MONTHLY RATE</b>
• For extensions within the same rate center as the first termination of an access line with which the extension is associated, each	WKK	\$ 7.75
• When in a rate center other than the rate center having the first termination, apply transport channel charges as specified in the Intrastate Private Line Transport Services Price List, plus[1]		
- Per Service Terminal		
- For the first station in a rate center	EWV	16.95
- For each additional station in the same rate center as the first station	EWU	11.30

In addition, charges equal to the service terminal charges for the first station in a rate center apply for terminating and connecting one or more interexchange channels to the WATS access line in the same rate center as the main station (USOC WDT).

[1] Does not apply between the zones of the Minneapolis and St. Paul service areas.
