SUBJECT	PAGE	
Dual Service.....	8	(T)
Miscellaneous Nonrecurring Charges.....	1	
Network Premises Work Charges.....	4	
Nonrecurring Charges.....	1	

3. SERVICE CHARGES

3.1 MISCELLANEOUS NONRECURRING CHARGES

3.1.1 NONRECURRING CHARGES

A. General

1. A nonrecurring charge is a one-time charge made under certain conditions, to connect, move or change telephone service or facilities.
2. Nonrecurring charges, where applicable, are specified with services as stated in each section of this Tariff, unless otherwise specified or included in this section.
3. Nonrecurring charges apply except as specified hereinafter or in other sections of this Tariff, to customer-initiated moves and changes of service and equipment.
 - a. A change is a substitution of one for another item of equipment, wiring, or facilities or a rearrangement of service or equipment, limited in this Tariff to the equipment, wiring, or facilities on the network side of the Demarcation Point.
 - b. Where the charge is the estimated cost of all changes or rearrangements made at one time, apply the estimated cost as defined in Section 4, following. This application is limited to work done on the network side of the Demarcation Point.

B. Terms and Conditions

1. Nonrecurring charges do not apply for the following Company initiated work:
 - a. Telephone equipment located on a customer's premises but used exclusively by the Company for maintenance or training activities.
 - b. Work to move or change customers telephone service or equipment if required and initiated by the Company.
 - c. Disconnection of service for nonpayment of charges due.

3. SERVICE CHARGES

3.1 MISCELLANEOUS NONRECURRING CHARGES

3.1.1 NONRECURRING CHARGES

B. Terms and Conditions (Cont'd)

2. Nonrecurring charges do not apply for the following customer initiated requests, providing work is limited to that specified:
 - a. Complete termination of service.
 - b. The "From" portion of work involved in a transfer of service from one to another property.
 - c. Changes from one to another grade of service (one-, two-party flat or measured).
 - d. The following, provided the responsibility for ongoing rates, charges and contractual obligations (including any unamortized portion of basic termination charges) is accepted by the new customer who takes over the account, there is no break in the continuity of service, no change in directory listings, and no additions, changes or moves of such existing service or equipment.
 - Change of responsibility
 - Receivership is established or terminated
 - Service is taken over by a joint user of that service.
 - e. The reestablishment, within the State of Minnesota, of service following destruction of a customer's premises or a portion thereof resulting from explosion, fire, flood, storm, accident or the action of a public enemy. In such cases, and when possible, regularly offered service, up to and including the Demarcation Point, and not to exceed that formerly in use, will be reestablished at one location without nonrecurring charges. At the customer's option, the reestablished service may be at an immediately occupied location or a subsequently occupied location.

3. SERVICE CHARGES

3.1 MISCELLANEOUS NONRECURRING CHARGES

3.1.1 NONRECURRING CHARGES

B.2. (Cont'd)

- f. Service installed for service station company customers incident to the transfer of territory from the service station company to the Company but limited to main and interpremises channel services.
- g. Suspension and restoral of service at the customer's request.
- h. Disconnection and/or removal of the following items of service or equipment, if disconnection is completed without change or rearrangement of remaining service or equipment, providing no other work subject to nonrecurring charges is involved:
 - Items of service or equipment for which a recurring applies.
 - Directory listings and directory services for which monthly recurring charges apply, including a change from Private or Semi-private Service to regular directory service.
- i. Establishing, changing or discontinuing arrangements for:
 - Tele-Check Plan
 - Mail Bill Address Arrangements
 - Other Special Billing Arrangements excluding provision of a final statement of charges requested for reasons other than the complete termination of service.
- j. Detaching and subsequently reaffixing drop wires and/or associated protective equipment (without a change in location).

3. SERVICE CHARGES

3.1 MISCELLANEOUS NONRECURRING CHARGES

3.1.2 NETWORK PREMISES WORK CHARGES

A. Description

Network Premises Work Charges are charges billed to the customer for work performed by a Company employee or representative for work done on the Company side of the network interface or installation of certain Company equipment, as specified elsewhere.

B. Terms and Conditions

1. Network Premises Work Charges will apply to move, change, or modify the access line or access line termination on the customer's premises when requested by the customer.
2. Network Premises Work Charges do not apply to the following work:
 - To move or change a customer's telephone service if required or initiated by the Company.
 - To install, move, or change telephone service located on a customer's premises when used exclusively by the Company for maintenance or training activities.
 - Disconnection of access line services providing no other work is involved subject to Network Premises Work Charges.
 - Repair service except as stated otherwise.
 - Premises work required to establish or reestablish network access to the premises.
3. Network Premises Work Charges apply for a visit to the customer's premises which is required because of a move of network facilities by the customer in violation of the regulations.

3. SERVICE CHARGES

3.1 MISCELLANEOUS NONRECURRING CHARGES

3.1.2 NETWORK PREMISES WORK CHARGES

B. Terms and Conditions (Cont'd)

4. Only one initial Network Premises Work Charge applies when, for Company reasons, more than one Company technician is involved in performing billable premises work on the same service order. Additional Network Premises Work Charges will be calculated by totaling the remaining billable work time performed by all technicians.
5. The initial Network Premises Work Charge, as well as additional Network Premises Work Charges, will apply if applicable, for the first and subsequent move of network equipment, drop wire, entrance facilities, etc., on the customer's premises, made at the customer's request, as a result of the customer's remodeling/redecorating or any other customer activity requiring the first and subsequent visit for moves.
6. In cases where an existing customer requests that an aerial drop be changed to a buried one, or requests a buried drop be moved, and the Company provides the trench, the charges specified in C.2., following, will be billed in addition to the Network Premise Work Charge. In cases where the distance is greater than 600 feet, where permits are required, or where specific situations dictate, the request will be provided for as specified in Section 4, following. (N)
7. In those cases where an existing customer requests that an aerial drop be changed to a buried one, or requests a buried drop be moved and the customer has provided their own trench, the per 10 foot charge for the type of Buried Service Wire requested which appear in C.3., following, will be billed in addition to the Network Premise Work Charge. (N)

3. SERVICE CHARGES

3.1 MISCELLANEOUS NONRECURRING CHARGES (CONT'D)

3.1.7 DUAL SERVICE

(M)

A. Description

Dual Service provides exchange access line service with the same telephone number simultaneously to two different addresses served from the same wire center. Dual Service is designed to provide the customer continuous service at both locations during the time of a move.

B. Terms and Conditions

1. Dual Service is available to those services that are not specially designed or engineered.
2. Dual Service is furnished only in central offices where adequate and suitable facilities are available and to services which can be provisioned with Dual Service.
3. Dual Service is available for a maximum of 30 (thirty) days.
4. Dual Service is available on orders for a transfer of service within the same wire center where no telephone number change is involved.
5. Dual Service requires the same class and grade of service at both addresses.
6. Dual Service is not available to multiparty service.

C. Rates and Charges

1. This service is subject to the terms and conditions, rates and charges applicable to other exchange services and is in addition to basic rates and charges for the service with which it is associated.
2. In addition to the nonrecurring charges listed below, the customer will be charged one-thirtieth of the regular monthly rate applicable to the main line service for each day of service provided at both locations during the period of Dual Service.

	USOC	NONRECURRING CHARGE
• Residence, per line	CBU	\$15.00
• Business, per line or trunk	CBU	18.00
