6. MESSAGE TELECOMMUNICATIONS SERVICE

6.2 STANDARD SERVICE OFFERINGS

6.2.1 LOCAL OPERATOR SERVICES

A. General

1. Local Telecommunications Service is that of furnishing telephone communications within local service areas.
2. Local operator assistance is furnished to customers upon request in order to complete local calls.
3. The classes of Local Service offered are; Station-to-Station, i.e., local measured rate and flat rate, and Person-to-Person Service. Definitions found in 6.2.1 of the Exchange and Network Services Price List No. 2 apply to local calls except that local calls placed from a student dormitory telephone with operator assistance are subject to Local Operator Assistance charges. When an operator is used to complete a local call, the charges appearing in C., following and in the Exchange and Network Services Price List No. 2 apply.

B. Terms and Conditions

1. Dial Station-to-Station class of service applies to Operator Station-to-Station calls placed sent paid from residence service lines or trunks which are certified by a qualified authority as services of persons who are disabled and unable to dial telephone numbers. All Station-to-Station calling card calls charged to the certified line are subject to the Calling Card (Mechanized) charge specified in C., following.

Certification is provided upon the customer's written application to the Company for each residence line or trunk to be included. Certification becomes effective with the bill following approval of the application. Requests to change to or from certification are not subject to charge. Customers may verbally identify themselves as being unable to dial a call because of their disability. Only the Dial Station-to-Station charges will apply to these sent-paid calls.

2. Customers who identify themselves as being disabled and unable to dial the call will not be required to pay the operator-assisted service charge for Sent-Paid Station-to-Station calls from pay telephones.

6. MESSAGE TELECOMMUNICATIONS SERVICE

6.2 STANDARD SERVICE OFFERINGS

6.2.1 LOCAL OPERATOR SERVICES

B. Terms and Conditions (Cont'd)

3. Charges for Local Operator Assistance apply in addition to the charges for local messages originated from pay telephones and local calling charges specified elsewhere in this Tariff and/or the Exchange and Network Services Price List No. 2. Message Rate Service allowances do not apply for operator assisted non-sent paid calls.
4. Local Operator Assistance charges will not apply to calls placed to the Company Business Office, Company Repair Service or emergency calls to law enforcement and other public safety agencies.
5. Local Operator Assistance charges will not be subject to any discounts.
6. Customers served by non Bell operator offices are excluded from Local Operator Assistance charges.
7. Dialed Calling Card Station-to-Station

Mechanized

Applies to Station-to-Station calls where automatic recording equipment is available and the person originating the call dials zero, the telephone number desired and the calling card or special billing number. This also applies to Station-to-Station calls where automatic recording equipment is not available and the person originating the call dials zero, the telephone number desired and the calling card or special billing number is recorded by the operator.

Operator Assisted (0+ only)

Applies to Station-to-Station calls where automatic recording equipment is available and the person originating the call dials zero, the telephone number desired and the calling card or special billing number is recorded by the operator. If the customer has the operator place the entire call, the Operator Station-to-Station charge applies.
