1. APPLICATION AND REFERENCE

1.1 APPLICATION OF CATALOG

This Catalog contains the terms and conditions and price lists applicable to Private Line Transport Services, furnished by Qwest Corporation, hereinafter referred to as the Company, throughout the territory served by it in the State of South Dakota.

The procedures which will be followed by the Company in rendering service are set forth in 2., General Regulations, and 3., Rate Regulations, following, and 2.6, which includes definitions explaining phrases and terms used.

Unless otherwise specified, the terms and conditions and price lists are applicable to intraLATA/Intrastate Private Line Transport Services furnished by the Company or by the Company in conjunction with another connecting Company. The provision of such services by the Company, as set forth in this Catalog, does not constitute a joint undertaking with the customer for the furnishing of any service.

Prices for Private Line Transport Service will be above cost.

The Company will make every reasonable effort to provide the services delineated in Section 5, following, upon reasonable notice of request for the service from the customer. All rates and charges shown in this Catalog provide for the furnishing of service where suitable facilities are available. Where special construction of channel facilities is necessary, special construction charges may apply. Terms and conditions governing the determination of charges for special construction in connection with Private Line Transport Services furnished by the Company are found in Section 4.1.6, Special Construction.

Each page of the Catalog bears the date issued and date upon which it became effective.

The index of sections contains a complete list of all effective Private Line Transport Services offerings and includes the titles, page numbers and other information necessary for their identification.

1.4 CATALOG FORMAT

1.4.1 LOCATION OF MATERIAL

1. Section 1 provides the following for all of the sections in this Catalog:
 - Subject Index - an alphabetical listing to find the desired section.
 - Table of Contents - A numerical listing to find the desired section and page.
2. Each individual section in the Catalog provides a Subject Index for the material located within that section.
3. Obsolete Service Offerings

Obsolete service offerings are identified in the Catalog by adding 100 to the current section number, i.e., obsolete items from Section 5., Services, would be found in Section 105., Obsolete Services. This section is then filed behind Section 5.

1.4.2 OUTLINE STRUCTURE

This document uses nine levels of indentations referred to as Tariff Information Management (TIM) Codes, as outlined below:

1.4.3 RATE TABLES

Within rate tables, four types of entries are allowed:

- Rate Amount

The rate amount indicates the dollar value associated with the service.

- A dash "-"

The dash indicates that there is no rate for the service or that a rate amount is not applicable under the specific column header.

- A footnote designator "[1]"

The footnote designator indicates that further information is contained in a footnote.

- ICB

The acronym "ICB" indicates that the product/service is rated on an individual case basis.

1.4.4 USOC COLUMN

Within USOC columns, two types of entries are allowed:

- USOC

The three- or five-character code for the product or service.

- N/A

The "N/A" indicates that there is no applicable USOC.
