**11. SPECIAL FACILITIES ROUTING OF ACCESS SERVICES**

**11.1 DESCRIPTION**

The services provided by under this Catalog are provided over such routes and facilities as the Company may elect. Special Facilities Routing is involved when, in order to comply with requirements specified by the customer, the Company provides Switched Access, Private Line Transport, LAN Switching Service (LSS) and Metro Optical Ethernet (MOE) in a manner which includes one or more of the following conditions:

A. Diversity

Two or more services must be provided over not more than two different physical routes.

B. Avoidance

A service must be provided on a route which avoids specified geographical locations.

C. Cable-Only Facilities

Certain Voice Grade services are provided on Cable-Only Facilities to meet the particular needs of a customer.

Service is provided subject to the availability of Cable-Only facilities. In the event of service failure, restoration will be made through the use of any available facilities as selected by the Company.

Effective: September 1, 2006

**11. SPECIAL FACILITIES ROUTING OF ACCESS SERVICES**

**11.1 DESCRIPTION (CONT'D)**

Avoidance, Diversity, and Cable-Only Facilities are available on Switched Access Service as set forth in Section 6, preceding.

In order to avoid the compromise of special routing information, the Company will provide the required routing information for each specially routed service to only the ordering customer. If requested by the customer, this information will be provided when service is installed and prior to any subsequent changes in routing.

The offering of Special Facilities Routing contemplates the use of existing facilities. Should facilities not be available, it may be necessary to construct such facilities, either as normal or Special Construction. If Special Construction is involved for Special Facilities Routing of Switched Access or Private Line Transport Services, the regulations, as set in Tariff F.C.C. No. 2 apply. The regulations for Special Construction associated with LAN Switching Service (LSS) and Metro Optical Ethernet (MOE) are set forth in the Advanced Communications Service Catalog.

The rates and charges for Special Facilities Routing are in addition to all other rates and charges that may be applicable for services provided under other sections of this Catalog and other specified Company tariffs.
