

NOTICE OF FILING OF RATES AND REGULATIONS

The following rates and regulations have been filed with the Washington Utilities and Transportation Commission and are the effective rates and regulations of this Company for Access Service.

No officer, employee or agent of the Company has any authority to waive, alter or amend in any respect these rates and regulations, or any part thereof, or to make any agreements inconsistent therewith.

The rates and regulations herein set forth are subject at all times to addition, change or abolition after proceedings duly had by the Washington Utilities and Transportation Commission, and changes in the Rates and Regulations herein set forth must first be approved or accepted by the Washington Utilities and Transportation Commission.

For customers served from any of the following wire centers, rates and charges for DS1 and DS3 Entrance Facilities, Direct-Trunked Transport, Direct Link Transport and Multiplexing are specified in the Access Service Catalog. The specified services have been classified as competitive in these geographical areas.

(T)

- Bellevue Glencourt
- Seattle Campus
- Seattle Duwamish
- Seattle Elliot
- Seattle Main
- A portion of the Spokane wire center as defined by boundary streets and the Spokane River, and illustrated by a filed map.

1. APPLICATION AND REFERENCE

1.1 APPLICATION OF TARIFF

- A. This Tariff contains regulations, rates and charges applicable to the provision of Carrier Common Line, Switched Access Services, and other miscellaneous services, hereinafter referred to collectively as service(s), provided by Qwest Corporation, hereinafter referred to as the Company, to customers.
- B. The provision of such service by the Company as set forth in this Tariff is specifically intended to provide exchange network access to customers as follows:
 - 1. Interexchange Carriers, who provide service between local calling areas, must purchase services from this Tariff for their use in furnishing their authorized intrastate telecommunications services to end user customers, and for operational purposes directly related to the furnishing of such services.
 - 2. Any customer, including but not limited to telecommunications companies, may purchase certain services from this Tariff for their own or administrative use, as specified in other sections of this Tariff. Services provided for a customer's own or administrative use may be subject to the rates and charges of other tariffs of the Company.
- C. The provision of such services by the Company as set forth in this Tariff does not constitute a joint undertaking with the customer for the furnishing of any service.
- D. The regulations, rates and charges contained in this Tariff, are in addition to the applicable regulations, rates and charges specified in other tariffs of the Company.

Whenever reference is made in the Company's tariffs to other tariffs of the Company, the reference is to the tariffs in force as of the effective date of those tariffs, and to amendments thereto and successive issues thereof.
