1. Qwest Long Distance Advantage

a. General Description

Qwest Long Distance Advantage is an offering of business communication services consisting of switched outbound, switched inbound and card services. The services have flat rates that are based on term and minimum usage commitments. Qwest Long Distance Advantage is intended for the small business segment billing a total of \$500.00 to \$2,500.00 in telecommunications services monthly. This service works well with both single locations and multiple location businesses. The customer automatically receives the worldcard with this offering.

Inbound Toll Free services permit customer to receive domestic inbound calls. Customers may elect to utilize a dedicated access arrangement or switched access terminations to interconnect with a Toll Free service.
