1. Qwest Long Distance Advantage

a. General Description

Qwest Long Distance Advantage is an offering of business communication services consisting of switched outbound, switched inbound and card services. The services have flat rates, which are based on term and minimum usage commitments. Qwest Long Distance Advantage is intended for the small business segment spending less than \$2,500.00 in telecommunications services monthly. This service works well with both single locations and multiple location businesses.

Inbound Toll Free services permit customers to receive domestic inbound calls.
